

SPRINGWOOD RV PARK RULES AND REGULATIONS (Short term stay)

Welcome to Springwood RV Park where home is where you park it! We are pleased you have decided to stay with us. The following rules and regulations are necessary for your welfare and comfort as well as to keep the park safe and harmonious for all. We need your help to provide a safe and attractive park for you and your friends while being considerate of your neighbors.

- Check out time is **11:00 AM** – Check in time is **12:00 PM**
- All reservations must be paid in full in advance.
- **If you leave early, you will forfeit the remainder of your reservation.**

PUBLIC RESTROOMS

- *Please be respectful of the next guest and ensure you clean up after yourself before leaving the restroom.*
- **DO NOT BATHE OR ALLOW ANIMALS IN THE RESTROOMS.**
- *Do not leave personal items*
- *Clean anything that is in the drain and clean up after yourself.*
- *Guests using the restrooms need to be staying on-site. Do not let friends who do not live here have the code.*
- Please use restroom/shower at your own risk. The park is not responsible for any injuries.
- Take household garbage to the dumpster. Do not leave it in the restrooms.

QUIET TIME

Park quiet time is from **10 PM until 8 AM**. Please be respectful of your neighbors. Spaces are close quarters, so it is natural to hear your surrounding neighbors at times.

- Noise complaints received from more than one guest (can include but not limited to: children, barking dogs, parties, etc.) will receive one warning before being asked to leave the park.
- Children must ALWAYS be maintained and in the presence of an adult.

PARKING

- ***Please do not park on the grass. If your site does not fit 2 vehicles and your RV without parking on the grass, the second vehicle will need to be parked in the overflow parking lot by the office.***

The laundry facility is located on the lower side of the park – cross over the tracks and around the corner is the laundry building. Please watch this video link (<http://youtu.be/an3nmJF6xPO>) – ensure that the last character is the number zero instead of the letter character – for details on how to access the facility as well as the machines. Each site has its own specific entry code _____
